

# Amplification request

Date:

Name:

Group  
leader:

E-mail:

Access to wild type: (e.g. T89, Elite, Tobacco)

Number of replicates/line    Replicates/jar

Request of transgenic lines:

Total number of plants requested

Greenhouse experiment, Yes/No

*Note!* This is **not** a booking!

Remember to contact [odlingsanlaggningen@slu.se](mailto:odlingsanlaggningen@slu.se) to book space in Wallenberg, climate chambers or floor 5.

Study purpose or comments:

No extra replicates needed (10%)

Part of our routine is to include a few extra replicates of each line to match the number requested in case of unexpected plant death, abnormality in growth, contamination etc. Tick box if extra replicates is **not** necessary.
